Mr. Paul L. Hoch
1735 Highland Place #25
Berkeley, CA 94709

Dear Mr. Hoch:

This is in reply to your letter of August 5, 1974.

Enclosed are the copies you requested. The Stern memorandum ends with page 101.

We feel that the provision for mandatory reviews of classified documents in Executive Order 11652 applies to specific documents rather than to whole classes of documents and that we should not conduct another general review of the unnumbered classified documents of the Commission until 1977.

We will identify and review the Coleman-Slawson memorandum to which you refer and will be pleased to make pertinent records available for your examination when you visit the National Archives in September.

Sincerely,

(MISS) JANE F. SMITH
Director
Civil Archives Division
